## **RAVENQUEST ANNOUNCES FORMAL AGREEMENT WITH FORT MCMURRAY #468 FIRST NATION**

**NR17-07**

**November 14, 2017**

**FOR IMMEDIATE RELEASE...Vancouver, British Columbia: RavenQuest BioMed Inc. (the “Company” or “RavenQuest”) – (CSE: RQB)** is pleased to announce it has entered into an agreement with Fort McMurray #468 First Nation to provide management and consultancy services relating to:

- Cannabis Licensing Application Development
- Geotechnical, Engineering and Architecture for a 24,000 square foot licensed Cannabis production facility
- Strategic planning pertaining to government relations in the Cannabis sector

“Our organization uniquely provides turnkey Cannabis industry solutions for Indigenous Peoples and other clients. Through our environmentally sustainable production model and end-to-end solutions, we intend to emerge as the trusted provider of choice for Indigenous Peoples’ Cannabis industry partnerships across Canada. This mutually beneficial agreement represents an important first step in this direction. We are extremely excited to enter into this unique partnership with Fort McMurray #468 First Nation” said George Robinson, CEO of RavenQuest.

Fort McMurray #468 First Nation’s Chief, Ron Kreutzer, said of the agreement that “the Fort McMurray #468 First Nation is very pleased to engage with an industry-leading partner as we embark into this burgeoning new industry. Given the positive and sustainable economic development this partnership means for our community, we recognize the importance of being early movers as the Cannabis industry continues its rapid expansion.”

### **About RavenQuest Biomed Inc.**

**Cautionary Note Regarding Forward-Looking Statements**

*All statements in this press release, other than statements of historical fact, are "forward-looking information" with respect to the Company within the meaning of applicable securities laws, including statements with respect to the development of a licensed cannabis production facility and anticipated production from such a facility. The Company provides forward-looking statements for the purpose of conveying information about current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. These risks and uncertainties include but are not limited to those identified and reported in the Company's public filings under the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com). Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise unless required by law.*
