Robix Announces Shares for Debt Private Placement

November 6, 2017 – Lethbridge, AB: Robix Environmental Technologies, Inc. (“Robix” or the “Corporation”) (RZX:CSE) (Frankfurt:ROX) announced today that it settled outstanding indebtedness of \$90,000 through the issuance of 3,000,000 common shares of the Corporation at a deemed price of \$0.03 per common share (the “Debt Settlement”). The common shares issued in connection with the Debt Settlement are subject to a hold period that expires on March 7, 2018.

About Robix:

The Corporation is an “industrial products/technology” company, offering to investors a unique opportunity to participate in a leading company in the business of ownership of patents, and their development from commercialization to worldwide expansion through various business arrangements. Robix owns a Clean Ocean Vessel (“COV”) patent, which is an oil spill recovery vessel design with the capability to recover oil in rough and debris laden sea conditions. Robix has recognized a worldwide market opportunity for effective containment, recovery and disposal equipment, particularly in the oil spill protection industry, and it proposes to develop a business model as a service provider, and/or equipment provider under licensing agreements with other industry participants, wherein Robix will use its COV patented design solution.
